

Bigi Pan Lodge

At the Bigi Pan lodge you will find a different kind of environment where you can spot the famous flamingo & red Ibes. The Flamingo flies all the way from Canada once a year. The red Ibes you can spot all year long. They are very unique birds due to their color, long necks and legs. At Bigi Pan you can also enjoy caiman spotting and or catching, and mud baths.

This lodge too has a great kitchen with a great cook were you can enjoy some great meals.
